SUMMER ASSIGNMENT and READING LIST for NEW 7TH GRADERS

The Assignment:

- **Each IB Choice/Advanced Language Arts/AVID student** will read two (2) books, one to be selected from the 2021-2022 Grades 6-8 Sunshine State Young Readers Award book list ([link](#)), and the other is student's choice as long as it is grade level appropriate. Example Journal Entry:

Passage 1

“Fire swamps are, of course, entirely misnamed...Simply, there are swamps which contain a large percentage of sulfur and other gas bubbles that burst continually into flame. They are covered with lush giant trees that shadow the ground, making the flame bursts seem particularly dramatic. Because they are dark, they are almost always quite moist, thereby attracting the standard insect and alligator community that prefers a moist climate” (page 199).

Response:

The author uses the literary device of imagery in this passage as he describes the fire swamps. The writing is so powerful that I could see in my mind a huge, dark swamp like something out of a fairy tale, only with jets of flames popping up. The author does a great job of describing the swamps and why they were such a terror to Florin and Guilder. (64 words)
