

# BEFORE/AFTER SCHOOL STEM Clubs

STEM (Science - Technology - Engineering - Math)

## Enrichment Programs

### Bristle Bots

### Motors and Magnets

Mix science and imagination to design and build your very own motorized moving Bristle Bot. Make Art with a Drawbot. Join us to explore the science of circuits, electromagnetism and motion. Prepare your bots for drag racing and wrestling. Finally put all your knowledge to the test to engineer the perfect robot critter to take home.

### Countertop Chemistry

### No lab required!

Turn your kitchen into a lab with these experiments that you can do at home. See our Cool Blue Light and explore luminescence, make your own gooey worms, make an Invisible Friend using chemistry, and of course, play with polymers. It's home science that teaches!

School—Pine Grove	Day—Thur Rm: TBD	Price: \$97
Club Name	Dates	Registration Deadline
Bristle Bots	11/5, 11/12, 11/19, 12/3, 12/10	10/28
Countertop Chemistry—	1/14, 1/21, 1/28, 2/4, 2/11	1/6
