Message From the Principal ~ May 2019

Pine Grove Elementary

“Building the bridge from foundation to innovation!”

Message from the Principal

Dear Parents,

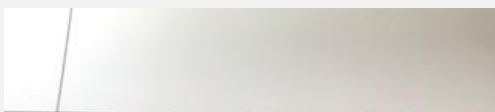

It has been an incredible 2018-2019 school year! We are so fortunate to have the opportunity to partner with over 400 families to ensure the academic and social-emotional success of all our 550 students!

We look forward to next year and continuing to build upon our school goals of positive relationships, cognitive engagement and reading comprehension. We are also excited to be adding to our mental health team to support students social-emotional growth. With the passing of the MLO/Bond, we are thrilled to have hired an elementary School Counselor! Our new Counselor will work with our current Health Teacher for Social-Emotional Support as well as our School Psychologist.

I am extremely proud and grateful to the staff at PGE who work so hard to provide quality instruction as well as positive behavior support for all of our students. I'd also like to thank our community for your continued partnership and support. Pine Grove Elementary is a great place to be!

Have a wonderful summer!
Kelly

Happenings at PGE

Students in Mrs. Campbell's "Leave A Legacy" elective created this three-piece mural that is displayed in our entry way. Great advise for all of our Panthers!

Congratulations to Coach K and our 6th grade Hexathlon team who won this annual feeder competition!

Thanks to PGEA for another successful Sock Hop! Such a fun tradition for our school!

So proud of our 15 amazing 6th graders led by Ms. D, who were a part of Douglas County's Honor Choir!

Students who are a part of PGE's Community Service Team have been busy collecting book donations as a collaborative service project with Chaparral HS

Students in Mrs. Tuggle's STEM elective class used critical thinking in their challenge to create games around a certain topic or content area. Students designed the game boards and even printed game pieces on the 3D printer!

Memories

By 6th grader~Ava

I will never forget all the memories I've earned,
the amazing skills I've learned.

My memories at Pine Grove,
the ones I love most,
are Mrs. Yach's class,
and the field full of grass.

I loved my time at outdoor ed,
or when we made butter for our bread.
I loved picking electives,
and seeing things from different perspectives.

All of these memories I'll never forget,
from all of the people I've met,
to the education running through my mind.
6th grade went by in a blur,
And I'm ready for more to occur.
Good-bye Pine Grove!

Global Day of Design #GDD2019

Pine Grove celebrated our 2nd annual,
Global Day of Design. Grade levels across
the school participated with building,
creating and problem solving!

Thank You to our Amazing Volunteers!

Thanks to Mrs. Heitmeier for hosting our annual "Volunteer Appreciation" event. Pine Grove is so lucky to have a supportive parent community who work so many hours to support our school. We truly appreciate your partnership!

Upcoming Dates & Reminders

May 17 - Field Day

May 24 - Last day of school!

2019-2020 School Year
