How to Become a Parent Observer in Canvas

1. **Login** to your students Canvas account: newton.instructure.com.
2. Underneath the NCSS Logo select **Account**, then select **settings**.
3. On the right side of the screen select **Pair with Observer**.
4. **Copy the code** that is given to you.
5. **Log out** of your student account, then select **Parent of a Canvas user?** at the top of the page.
6. **Complete the document** and you are officially observing your student in Canvas.
