Student Learning Experiences During Covid Absence
Upon confirmation and authorization of the temporary absence from school, the student will be directed to LAUNCHPAD [https://launchpad.classlink.com/newtonga](https://launchpad.classlink.com/newtonga) to access the online learning platform, Canvas, for classwork, resources, and assignments to be completed on a daily basis. The teachers’ Canvas page will detail how to complete assignments, how to submit the assignments, and how to communicate with the teacher if the student needs additional assistance. Students must check Canvas daily for updates on instruction and assignments.

Covid Absence Notification
If students are being quarantined, parents will be notified by the school nurse or the administrative team. When the school is being informed by a parent/guardian, the parent/guardian must notify the designated school COVID Absence contact if a learner experiences a temporary absence due to Covid 19. Documentation and verification will likely be necessary for these temporary absences.

Covid Attendance in Portal
If the school nurse has determined that the student must quarantine from school, the student will not be marked absent if he or she is participating in learning experiences via Canvas. If you happen to see an absence, please know this absence will be updated so it is not held against your student. If your student is prevented from participating in learning experiences according to the alternative learning plan due to COVID-19 symptoms, we will follow the NCSS handbook policy for reporting this type of absence and the timeframe to make up assignments.
High School Learning Experience Contacts
If you have any issues with accessing or locating assignments during the temporary absence from school, please contact the classroom teacher. Parents or students may schedule an appointment with a specific teacher for a live tutoring session via email or Remind. If you experience any extenuating difficulties such as technology, access, connectivity, assignments or communication, please contact the following individuals...
