School-Parent Compact
Kindergarten
School Year 2021-2022
Revised 07/30/2021

What is a School-Parent Compact
A school-parent compact is a written commitment that parents, students and teachers develop together to help students be successful learners.

Effective Compacts:
- Link to goals of the school improvement plan.
- Focus on student learning.
- Share strategies parents can use at home.
- Explain how teachers and parents will communicate about student progress.

Activities to Build Partnerships
- Title I Parent Orientation Meeting
- Meet the Teacher/Curriculum Night
- Parent/Teacher Conferences
- Family Math Homework Help and Strategies Workshop
- Family Literacy Night
- Title I Revision/Feedback Meeting

Jointly Developed
Oak Hill teachers and faculty work together with parents and students to develop our school-parent compact. An annual meeting is held each year to review the compact and make changes based on data, student needs and parent feedback. Parents are welcome to provide feedback at anytime during the school year as well. The compact is posted on the school website year round. If you have any questions or comments about this compact or Title I, please contact:

Mary Johnson
johnson.mary@newton.k12.ga.us or call 770-385-6906

Communications About Student Learning
We understand the importance of two-way communication between teachers and parents. Here are ways that you can expect us to communicate with you.
- Weekly Wednesday folders with reports on child’s progress
- Parent/Teacher Conferences
- Emails and Phone Calls
- Notes in Agendas
- Infinite Campus
- School Messenger
- OHES website, Facebook, & Twitter

Parents may observe and/or volunteer in classes during the school year by appointment only. Additionally, parents may schedule conferences as needed throughout the year.
Kindergarten Goals for Student Achievement

District Goal:
Strategic Goal Area I: Student achievement and success
- Improve student mastery of standards
- Increase opportunities for students to demonstrate success beyond test scores
- Increase graduation rate

Oak Hill Elementary School Goals:

Reading: Seventy percent of students in kindergarten will demonstrate overall mastery of grade level subject area content by developing, demonstrating, or exceeding the standard in reading. Focus Area: Phonological awareness - rhyme, syllables, blending.

Math: Seventy percent of students in kindergarten will demonstrate overall mastery of grade level subject area content by developing, demonstrating, or exceeding the standard in math. Focus Area: Model simple addition and subtraction situations with sets of objects within 10 and eventually with equations.

Teachers, Students, and Parents—Together for Success

Teachers/Schools
- Offer a Family Math Homework Help Workshop that provides strategies that focus on number sense and problem solving that parents can use at home.
- Provide a Parent Resource Area with guided reading kits that include a list of questions and vocabulary that addresses specific reading concepts.
- Provide students in kindergarten opportunities to practice number sense strategies using Istation Math.
- Offer a Family Literacy Night to provide parents with activities and strategies that focus on phonics, fluency and comprehension that parents can use at home.

Families
- Attend Family Math Night for strategies focusing on number sense and problem solving to use at home.
- Check out and use Guided Reading kits in the Parent Resource Area to address specific fundamental reading concepts.
- Use the parent portal and actively monitor the use of Istation Reading to provide practice for my child in phonemic awareness.
- Use the Istation Math program with my child to practice number sense skills.
- Attend Family Literacy Night for activities and strategies that focus on phonics, fluency and comprehension to use at home.

Student
- Share information with parents about all Family Engagement Workshops.
- Use Guided Reading Kit materials from the Parent Resource Area at home to answer questions using vocabulary skill practice that addresses fundamental reading skills.
- Use Istation Reading at home for practice in phonemic awareness and comprehension.
- Use Istation Math at home to practice number sense skills.
