School-Parent Compact

South Salem Elementary School

School Year 2021-2022

Revised 07/30/2021

Dear Parent/Guardian,

South Salem Elementary students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the challenging State academic standards. Please review the attached School-Parent Compact.

Please sign and date below to acknowledge that you have read, received, and agree to this School-Parent Compact. Once signed, please return the form to your child’s teacher and keep the School-Parent Compact as a reminder of your commitment. The School-Parent Compact will be discussed with you throughout the year at different school-family events as we work together to help your child succeed in school. We look forward to our school-parent partnership!

Sincerely,

Lenise Bostic

Principal

Title I Information
South Salem Elementary School is a School-Wide Title I school. Title I is a part of the Federal Elementary and Secondary Education Act (ESEA), formally known as No Child Left Behind (2001). The Act provides financial assistance to state and local education agencies to meet the educational needs of children who may be at risk of failing the state’s performance standards. This School-Wide program uses Title I funds to develop and maintain quality educational services in the core academic areas in order to raise academic achievement for all students at the school. Being a Title I school, our school must jointly develop with all parents a written parent and family engagement policy.

School Plan for Shared Student Achievement

What it is?
South Salem Elementary School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

How is it developed?
A parent revision meeting was held in the spring seeking input for this policy, our school-parent compact, the district’s Parent & Family Engagement Policy, the parental involvement budget, our Title I Schoolwide Plan, ways to build staff capacity, and the Comprehensive LEA Improvement Plan. South Salem Elementary School welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan for the next school year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey online and distribute hard copies to ask parents for their suggestions on the plan and the use of funds for parent involvement. Parents can also give feedback during our annual feedback meeting in the spring. Additionally, a Parent Involvement Survey is given annually and results of this survey are used in the revision of this plan. The policy is located in the front office and the parent resource section of the media center. All feedback gathered will be used to revise the plan for next school year.

Who is it for?
All students attending South Salem Elementary and their families, are encouraged and invited to fully participate in the opportunities described in this plan. South Salem Elementary will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

Where is it available?
The policy is sent home to all parents along with the school parent compact at the beginning of the school year. It is available in both English and Spanish. In addition it is located on the South Salem Elementary school website in English and Spanish. A paper copy can also be provided to parents upon request.
Newton County Schools System Goals for Student Achievement
The mission of Newton County Schools is to provide educational excellence for all students, the System has identified the following non-negotiable goal:
Increase Student Achievement.

2021-2022 South Salem Elementary School’s Goals
Goals: Kindergarten
80% of students will progress, meet, or exceed the overall ELA and Math standards during the 2021-2022 school year as measured by GKIDS assessment.

Goals: Grades 1—2
80% of students will progress, meet, or exceed the overall ELA and Math standards during the 2021-2022 school year as measured by the IOWA assessment.

Goals: Grades 3—5
80% of students will progress, meet, or exceed the overall ELA and Math standards during the 2021-2022 school year as measured by the GA Milestones Assessment.

School-Parent Compacts
As part of this policy, South Salem Elementary and our families will create a school parent compact, which is an agreement between parents, teachers, and students that explains how we will work together to make sure all students achieve grade-level standards. The compact will be reviewed and updated annually based on feedback from parents, students and teachers during the Title I Parent Revision/Feedback meeting at the end of the school year. The school-parent compacts are available on our school’s webpage and copies are also available in the school office.

Parent Engagement Program and Activities
Parents will be notified of meetings in a number of ways. The school sign will be updated to reflect meeting dates and times. Labels are provided for teachers to place in the student agenda. Information about Title I meetings will be included in the weekly newsletter, which is sent home in both hard copy and email format. Robo calls will be made to inform parents of programs and activities.

We will offer a flexible number of meetings with funds provided under Title I, as such services relate to parental involvement by helping our parents attend the parental activities listed in our Parent Involvement Plan. Parents are asked to call or email us if they need assistance with childcare or translation in order to participate in our programs.

Family Opportunities

July 27, 2021—Open House 5:00-7:00 p.m.
Teachers will provide information about what parents can expect for the school year.

August 19, 2021—Parent Involvement Orientation 6:00 p.m.
SSE Staff will provide a Title I overview, how Title I funding is allocated, and an overview of the Title I Parent Involvement Plan and activities.

September 10, 2021—Early Release for Parent Conferences
Teachers will be available for parent conferences and provide resources to promote student achievement.

October 7, 2021—Reading As A Family Night – 6:00 p.m.
Students and parents will rotate through several grade specific reading focused activities. Each activity will focus an aspect of reading specific to their grade level.

January 27, 2022—Math Make and Take Night – 6:00 p.m.
Students and parents will practice activities that increase math skills. Parents and students will be given an opportunity to produce a math game related to grade level standards to enhance student achievement.

February 4, 2022—Early Release for Parent Conferences
Teachers will be available for parent conferences and provide resources to promote student achievement.

March 17, 2022—Parent Feedback Meeting/ Revision and Development - 6:00 p.m.
Parents and stakeholders will provide feedback about the Title I plan and components
Parent Engagement Funds

Did you know that each LEA that receives more than $500,000 in Title I, Part A funds, shall reserve at least one percent of its allocation to assist schools to carry out the parental engagement activities? Attend our Annual Title I Stakeholder’s Input Meeting to give your input on how we can use our funds to provide you with the tools, resources and strategies to help your child reach academic success.

Parent and Family Engagement

South Salem Elementary believes that parent involvement means the participation of parents in consistent, meaningful communication involving student academic learning and other school activities, including:

- That parents play an integral role in assisting their child’s learning;
- That parents are encouraged to be actively involved in their child’s education at school;
- That parents are full partners in their child’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;

Ways that parents can help:
- Read to students
- Communicate with their child’s teachers
- Practice skills as suggested/recommended.

Building Capacity

We will involve parents in an organized, ongoing, and timely way in the planning, review, and improvement of schoolwide programs and the school parental involvement policy. We will involve parents in the planning and review of SSE’s comprehensive schoolwide program plan. We will work to build relationships among staff, students, and parents in order to improve our planning.

- Provide information, in English or Spanish, to parents about the state academic standards, the state achievement standards, local and state assessments, Title I requirements and how to monitor your child's progress and work with teachers during parent workshops and conferences.

- Provide materials and training (including on the harms of copyright piracy) to help parents to work with their children to improve reading, math and test-taking skills during parent conferences and make and take workshops

- Bridge the gap between home and skill by providing professional learning to teachers to help coordinate and implement parent meetings that are linked to learning.

- Coordinate and integrate parental involvement programs with our in-house Georgia Pre-K program, home-school parents, by inviting students, parents, and teachers from those programs to have access to a video tour of the school in the efforts to facilitate transition from those programs into the school.

- Provide a parent resource area where parents can visit and checkout test-prep materials, math manipulatives, and reading resources to assist with learning at home.

- Send home communication in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language the parents can understand. Interpreters will be used as available and as needed.
Parent Resource Area

Parent resources are available for check-out through a form located on our website. Parents will be able to find materials that will help them to understand the curriculum components. Parent resources are also provided during Title I meeting nights throughout the year. These will be subject-specific so that parents may assist their students.

Continuous Communication

All informed, engaged, and supportive family plays an instrumental role in a student’s academic success. The Newton County School System supports families in partnerships with schools, district, and the community in the quest of achieving academic success for all students. Here are some ways that we provide continuous communication with our parents to ensure that learning is continued beyond the school day.

- Parent Connect Canvas Page
- Friday Folders
- School and Teacher Canvas Pages
- Facebook/Twitter
- Grade Level Newsletters
- REMIND

Contact Kim Mills, Title I parent contact, with any questions

Measures of Effectiveness

- **Parent Meeting Evaluation**—to gather feedback from the parents to evaluate the effectiveness of the meeting and to gain insight on parent academic support for future meetings.

- **Parent Survey Data**—to gain insight on SSES effectiveness in meeting the needs of parents in various areas such as technology, parent workshop topics, and school climate so that we can create an environment that meets the needs of all parents and families.

- **Revision and Development Stakeholders Meeting**: to give all stakeholders the opportunity to give input to build the effectiveness on the:
  - Parent and Family Engagement Policy-School and District
  - School-Parent Compact
  - Comprehensive LEA Improvement Plan (CLIP)
  - Title I Schoolwide Plan
  - Building Staff Capacity
  - Parent Involvement 1% Funding

- **Student Outcomes**: to access if strategies and activities, as outlined on the school parent compacts, are effectively impacting student achievement.

- **Multiple Opportunities for Input**: SSES will provide several opportunities for parents and families to give input on the effectiveness of the Title I Program. Parents can access our Title Schoolwide Plan, The Parent and Family Engagement Policy, and the School-Parent Compact on our school’s website. These documents are also located in our parent resource room located at South Salem Elementary School.
Parent Comments and Suggestions

Parent Comments and Suggestions

We want to hear from you! If you have any suggestions or if there is any part of the schoolwide program plan that you feel needs to be adjusted, please provide us with your comments in the space provided and leave this form in the office.

**What is a School-Parent Compact**

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach grade level standards.

**Activities to Build Partnerships**

South Salem Elementary School encourages parents to volunteer and observe classroom activities. Ongoing events and programs will provide our parents and students opportunities to become partners in learning with our staff:

- **Open House**
- **Parent and Family Engagement Activities:**
  - “Make and Take” Math Night
  - “Reading as a Family” Reading Night
- **Curriculum Night**
- **Parent/Teacher Conferences**
  - September 10, 2021
  - February 4, 2022
- **School Website**
- **PTA Events**
- **Book Fair**
- **Parent Involvement Meetings**

**Jointly Developed**

The parents, students, and staff of South Salem Elementary developed this School-Parent Compact in an effort to increase student achievement. Teachers, parents and students shared different strategies and ideas based on the school’s academic achievement goals and students’ needs.

Parents are welcome to provide feedback outside of the meeting at any point in the year. All feedback will be collected and reviewed during the annual revision meeting.

**Communications About Student Learning**

South Salem Elementary School is committed to frequent two-way communication with families about children’s learning. The School-Parent Compact will be discussed annually during parent conferences. Parents receive frequent updates on their child’s progress through:

- Student Agendas
- Friday Folders
- School Website
- Grade Level Newsletters
- Parent/Teacher conferences
- Phone Calls
- Student Report Cards
- Infinite Campus Parent Portal
- Email
- School Messenger
- Twitter
- Facebook
- Remind

Parents may contact Jessica Salmon at 678-342-5907
Our Goals for Student Achievement

District Strategic Goal Area I: Student achievement and success

- Improve student mastery of standards
- Increase opportunities for students to demonstrate success beyond test scores
- Increase graduation rate

School Goals: Increased Achievement in Reading and Math

**Reading** - 80% of students will progress, meet, or exceed the overall ELA standards during the 2021-2022 school year as measured by GKIDS assessment.

**Focus:** Letter Recognition and Sight Words

**Math** - 80% of students will progress, meet, or exceed the overall Math standards during the 2021-2022 school year as measured by GKIDS assessment.

**Focus:** Number Recognition to 100

Teachers, Students, and Parents — Together for Success

**Teachers and Schools will...**

- Invite parents to visit the parent resource area to check out educational materials to support their student.

- Invite parents to family engagement nights and parent conferences to receive information and resources for ELA and Math support.

- Provide grade-level newsletters, agenda, and Friday Folders to inform parents of upcoming topics and skills, student progress, and events.

- Provide access to the school’s website and Canvas pages linked to a variety of educational resources.

**Families will...**

- Check out materials from the parent resource area to enhance student learning at home. Resources include math and ELA activities, test preparation materials, manipulatives, books, etc.

- Attend Family Nights and conferences to help understand curriculum components and ways to practice grade level skills that promote student achievement.

- Read and discuss newsletters, agenda, and Friday Folder regarding reading and math curriculum and current student performance in those subject areas.

- Visit the school’s website and Canvas page to utilize the educational resources and stay informed of upcoming events.

---

**Students will...**

- Use the materials checked-out from the parent resource area to practice math and reading skills.

- Attend Family Engagement events with parents and apply strategies learned to increase understanding in ELA and Math.

- Take home Friday Folders and other communication to inform parents of their progress, work, and upcoming events.

- Use teacher’s canvas page to chart progress and find websites/activities to play educational games and/or practice skills.

- Invite parents to visit the parent resource area to check out educational materials to support their student.
- Invite parents to family engagement nights and parent conferences to receive information and resources for ELA and Math support.
- Provide grade-level newsletters, agenda, and Friday Folders to inform parents of upcoming topics and skills, student progress, and events.
- Provide access to the school’s website and Canvas pages linked to a variety of educational resources.

**Families will...**

- Check out materials from the parent resource area to enhance student learning at home. Resources include math and ELA activities, test preparation materials, manipulatives, books, etc.
- Attend Family Nights and conferences to help understand curriculum components and ways to practice grade level skills that promote student achievement.
- Read and discuss newsletters, agenda, and Friday Folder regarding reading and math curriculum and current student performance in those subject areas.
- Visit the school’s website and Canvas page to utilize the educational resources and stay informed of upcoming events.

**Students will...**

- Use the materials checked-out from the parent resource area to practice math and reading skills.
- Attend Family Engagement events with parents and apply strategies learned to increase understanding in ELA and Math.
- Take home Friday Folders and other communication to inform parents of their progress, work, and upcoming events.
- Use teacher’s canvas page to chart progress and find websites/activities to play educational games and/or practice skills.
