### What is a School-Parent Compact

A School-Parent Compact is an agreement between teachers, administrators, parents and students. The compact provides details to connect parents, teachers and students together to promote student achievement at school and at home.

Parents, students and teachers each have a vital role in developing students who are high school ready, college and career focused, able to think independently, communicate effectively, and demonstrate their skills to a global audience.

### Jointly Developed

The School-Parent Compact is a document developed with input from teachers, parents and students. The compacts are reviewed and updated annually based on feedback from teachers and parents given throughout the school year and at the year-end stakeholders’ meeting. Parents are welcomed to contribute comments and suggestions at any time. If you have any questions or comments about this compact or Title I, please contact:

Keisa Gatewood via email: gatewood.keisa@newton.k12.ga.us or call (770) 385-6893 and leave a message.

### Activities to Build Partnerships

Veterans Memorial Middle School offers ongoing events and programs to provide parents and students with access to our staff:

- **Fall Open House** (7/28/2021)
- **Content Focused Curriculum Nights** - (8/26/2021 and 2/24/2022)
- **Parent-Teacher Conferences** (9/10/2021 and 2/4/2022)
- **Updated School Website**
- **School Marquee**
- **Classroom Observations**
- **Parent Resource Room**
  - **Hours of Operation:** (M-F: 9:00am-3:30pm)

### Communications About Student Learning

VMMS offers ongoing opportunities to provide parents, students and families reasonable access to our staff.

**Our Parent Conference Days:**
- September 10, 2021
- February 4, 2022

**Our Progress Reports given to secondary students every 4.5 weeks**
- September 2, 2021
- November 18, 2021
- February 10, 2022
- April 28, 2022

**Our Report Cards given to secondary students every 9 weeks**
- October 7, 2021
- January 6, 2022
- March 24, 2022
- May 20, 2022

Parents may observe and/or volunteer in classes during the school year by appointment only. Additionally, parents may schedule conferences as needed throughout the year.
**Our Goals for Student Achievement**

**Newton County Schools Goals**

The mission of Newton County Schools is to provide educational excellence to all students.

**Goal 1:** Increase the graduation rate  
**Goal 2:** Increase opportunities for students to demonstrate success  
**Goal 3:** Improve student mastery of standards

**Veterans Memorial Middle School Goals**

Students in grade 6 will show an overall increase in Math performance from Developing Learners to Proficient Learners as measured by the Georgia Milestones Assessment by the end of the 2021-2022 school year.

**Focus Areas**
- Number Sense/Problem Solving

Students in grade 6 will show an overall increase in ELA performance from Developing Learners to Proficient Learners as measured by the Georgia Milestones Assessment by the end of the 2021-2022 school year.

**Focus Areas**
- Reading Comprehension/Written Expression

---

**Teachers, Students, and Parents—Together for Success**

**VMMS responsibilities:**  
*As a school, VMMS will:*
- Conduct a series of joint trainings for students and parents to practice using strategies to develop better readers, strengthen written expression and implement strategies to enhance number sense.
- Hold parent-teacher conferences that will serve as an opportunity for parents to receive personalized strategies to support reading and math focus areas and tips on monitoring student progress.
- Post to our website access to available programs and other links for learning to provide parents and students with ongoing support to increase achievement in the areas of number sense and mathematical reasoning, reading comprehension and written expression.
- VMMS will provide “Teachers Involve Parents in Schoolwork” (TIPS) handout activities to foster the learning environment at home.

**Family responsibilities:**  
*As a parent, I will:*
- Attend joint trainings and encourage my student to use strategies to build reading comprehension skills, develop fluent writers, and follow steps to problem solve in order to enhance basic math operations.
- Attend parent-teacher conferences to assist with progress monitoring and to receive personalized strategies specific for my student to support his/her reading and mathematical skills.
- Encourage my student to use the programs and links available for learning that will provide ongoing support and increase achievement in the areas of: number sense, mathematical computation, reading comprehension, and written expression.
- Use “Teachers Involve Parents in Schoolwork” (TIPS) handout activities to foster the learning environment at home.

**Student responsibilities**  
*As a student, I will:*
- Attend joint trainings with my parents to receive strategies that support math and reading and talk to my parents on how they can assist with learning at home.
- Practice those personalized strategies given at the parent-teacher conferences to monitor my progress and to increase my understanding in number fluency, enhance basic math operations, reading fluency, and citing textual evidence.
- Visit the school’s websites with my parents and families to practice reading using the available programs and links for learning to provide ongoing support for number fact fluency, mathematical computation, reading fluency, and written expression.
- Talk to my parents about the “Teachers Involve Parents in Schoolwork” (TIPS) handout activities to foster my learning at home.
