Fifth Grade’s Goals for Student Achievement

Newton County School District’s Strategic Goal Area I: Student achievement and success

- Improve student mastery of standards
- Increase opportunities for students to demonstrate success beyond test scores
- Increase graduation rate

West Newton Elementary School goals and focus areas:

Goal #1: Increase student achievement in grades K-5 in the area of reading by 1 percentage point as measured by the Iowa Focus Areas K-5: Vocabulary and Reading Comprehension

Goal #2: Increase student achievement in grades K-5 in the area of mathematics by 1 percentage point as measured by the Iowa Focus Areas K-5: Numbers and Operations and Computation

---

Every Student. Every Day. NO Excuses!

Teachers/Schools

As a school........

- Provide parent reading academies where teachers will provide practice using multiplication, division, fractions, and word problem strategies. In addition, the 5-W Reading Strategy will be modeled to address reading fluency, comprehension, and vocabulary parents can use at home to support their children at home.

- Provide parent math make and take academies where teachers will model grade level number and operations activities and provide materials that parents can use to help their children in fun engaging ways.

- Provide access & ongoing trainings to parents for Brain Pop, MyOn, Khan Academy, Vooks, Education Galaxy, Education Galaxy via our website to assist in reading and math at home.

Families

As a Parent........

- Attend parent reading academies which will provide strategies to increase reading fluency, comprehension, and vocabulary I can use to support my child at home.

- Attend parent math make and take academies which will provide strategies for numbers and operations, multiplication, division, fractions, and word problems I can use to support my child at home.

- Visit the school’s website, Canvas pages, Parent Resource Center and attend at least one of the parent workshops to learn how I can access strategies and online resources such as Brain Pop, Khan Academy, Education Galaxy, Vooks, and others to assist my child in reading and mathematics at home.

As a Student........

- Take home Wednesday Folders so parents can receive flyers about Parent Academies and other parent events at my school.

- Work with my parents to practice mastering multiplication, division, fractions, and word problem strategies. In addition, use the 5-W Reading Strategy to address reading comprehension tools to help develop my child’s vocabulary with my child at home, so that I can better understand learning in the classroom.

- Use Brain Pop, MyOn, Khan Academy, Vooks, Education Galaxy, and other online resources and links at home to practice reading comprehension and the foundations of math concepts that will increase my overall mastery of grade level skills.
What is a School-Parent Compact

Our School-Parent Compact for Achievement offers ways that we can work together as parents, educators, and students to promote students success. This compact provides strategies to help connect learning at school and at home. An effective Compact...

- Links to academic achievement goals
- Focuses on student learning
- Shares strategies that staff, parents, and students can use
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents to volunteer, observe, and participate in the classroom.

Activities to Build Partnerships

West Newton will provide the following activities to build relationships with our parents:

- Volunteer Opportunities
- Annual Book Fair
- Parent Academies for Reading and Math:
  - Title I Parent Orientation—August 26, 2021
  - Family Reading Academy—October 28, 2021
  - Family Math Academy—February 24, 2022
  - Testing Tips & Strategies—January 27, 2022
  - Title I Parent Revision Meeting—April 14, 2022

*Open House July 27, 2021 5:00-7:00 p.m.
**Fall and Winter Parent Teacher Conferences**
  - September 10, 2021 & February 4, 2022

Jointly Developed

The parents, students, and staff developed the School-Parent Compact. The teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. An annual Revision and Development meeting is held each year to review the compact and make changes based upon students’ needs.

Parents and community stakeholders are welcome to provide feedback on this policy throughout the school year. All feedback will be used to revise the policy for the next school year.

To provide feedback on the school-parent compact, please call (770) 385-6472 or email
Leah Green at green.leah@newton.k12.ga.us.

Communications About Student Learning

West Newton Elementary values the contributions and involvement of parents in the efforts to establish an equal partnership for the common goal of improving student achievement.

Second Grade’s Goals for Student Achievement

Newton County School District’s Strategic Goal Area 1: Student achievement and success

✦ Improve student mastery of standards
✦ Increase opportunities for students to demonstrate success beyond test scores
✦ Increase graduation rate

West Newton Elementary School goal(s) and focus area(s):

Goal #1: Increase student achievement in grades K-5 in the area of reading by 1 percentage point as measured by the Iowa Focus Areas K-5–Vocabulary and Reading Comprehension

Goal #2: Increase student achievement in grades K-5 in the area of mathematics by 1 percentage point as measured by the Iowa Focus Areas K-5–Numbers and Operations and Computation

Every Student. Every Day. NO Excuses!

Teachers/Schools

As a school…

✦ Provide parent reading academies where teachers will model the 5-W Reading Strategy to address story elements and provide tools that parents can use at home to help develop vocabulary with their children at home.

✦ Provide parent math make and take academies where teachers will model grade level number sense strategies that parents can use to have fun and engaging activities to help their children at home in mathematics.

✦ Provide access and ongoing trainings to parents for Brain Pop, Jr., MyOn, Education Galaxy, Raz-Kids and other online resources and links via our website to assist in reading and mathematics at home.

Families

As a Parent…

✦ Attend parent reading academies which provide activities which enhance use of the 5W Reading Strategy and tools to help develop my child’s vocabulary with my child at home.

✦ Attend parent math make and take academies and use the grade level number sense activities and materials in engaging ways to practice math using activities with my child at home.

✦ Visit the school’s website, Canvas pages, Parent Resource Center and attend at least one of the parent workshops to learn how I can access strategies and online resources such as Brain Pop Jr, MyOn, Education Galaxy, Raz-Kids, and others to assist my child in reading and mathematics at home.

As a Student…

✦ Take home Wednesday Folders so parents can receive flyers about Parent Academies and other parent events at my school.

✦ Work with my parents to use the 5-W Reading Strategy from the parent academies to me understand what I read, tools to help develop my vocabulary, and math strategies which strengthen my number sense and word problem skills that I can better understand learning in the classroom.

✦ Use Brain Pop Jr., MyOn, Raz-Kids, Education Galaxy, and other online resources and links at home to practice reading comprehension and the foundations of math concepts that will increase my overall mastery of grade level skills.
Welcome to Second Grade!
