Dear Parents/Guardians

January 4, 2022

I would like to inform you that I will be transferring to a position at the district office in the coming weeks. As I look back on the past nine years, I am extremely proud of the teachers, staff, students and parents at Plumosa School of the Arts. Plumosa SOA is a unique school and I am grateful to have had a role in developing and growing the Arts and Dual Language programs that provide so many opportunities for our students.

Please be assured that we will all work together for a smooth transition. We welcome your input as the School District prepares to select the next Instructional Leader for Plumosa School of the Arts.

The District will follow an established procedure for the hiring process of the next principal. You may participate in the hiring process by completing a survey and/ or attending a focus group meeting.

Please visit the Parent Input links on the Plumosa webpage:

Thank You for your support
