TEST SCORES
CONSIDERING, OPTIONAL, OR BLIND?

**FLORIDA SCHOOLS REQUIRE SCORES**
- All Florida public state schools continue to require SAT/ACT scores; therefore, if you plan to apply to a state school in Florida, you MUST test!!
- Florida schools want to see ALL score attempts, and they pay for the right to see your scores; therefore, you must report ALL test scores when applying to Florida’s public institutions.

**SCORE OPTIONAL**
- Not all policies are considered equal! Each school has its own philosophy, so do your research!
- Seen scores can’t be unseen, so assume they will be considered in holistic review.
- The admissions lens will be much more focused upon the following:
  - Rigor and performance
  - Essays
  - Letters of recommendation

**SCORE BLIND**
- Scores will not be considered in holistic review.
- Do not send
