Dear Coral Sunset Elementary Staff, Families, and Community,

Pending School Board Approval, I will be transitioning to lead Orchard View Elementary as the principal. Serving our school community has been a tremendous honor over the past ten years. Working together, we have increased our School Grade rating from a C to an A growing over 130 points in just the last 4 years. Our experienced faculty and academic programs have been instrumental in this progress. Please be assured that I will remain actively engaged in Coral Sunset's progress while assisting Mrs. DiPasquale and Mr. Caruso as we prepare for the FY22 school year. I am committed to ensuring a successful transition for the next principal.

The District will follow an established procedure for the hiring process of the next principal. You may participate in the hiring process by completing a survey and/or attending a focus group meeting.
