

FUNDRAISING
RESOURCE GUIDE

Overview:

Fundraising encompasses a broad range of activities. Often this is a generic word that is used to describe charitable donations, sponsorships, sales of products and services and even partnerships. The Simcoe County District School Board (SCDSB) defines fundraising as “any solicitation for the purpose of obtaining funds that is initiated and approved by the principal and endorsed by the school council and/or school fundraising organization operating in the name of the school and includes activities carried out by students both on and off school property” . Reference Policy 4320 and Administrative Procedures Memorandum (APM) A2600 for details.

The most traditional form of fundraising is a variety of products that offer a financial return to the school community in return for sales. Fundraising activities are successful when the product or service has real value to customers, is innovative and where the return on your investment of time and effort yields a good result.

Purpose of this Resource Guide:

The Purchasing Department has developed this guidebook to assist schools, schools councils, parents or students that might assist with school fundraising and to:

- provide school communities information and ideas regarding fundraising opportunities;
- provide details on policies that apply to school fundraising activities;
- promote ‘healthy fundraising’.

Policy and Legislation:

School Communities should be aware of the following provincial, federal, municipal and school board policies that relate to fundraising activities:

- Ministry of Education Healthy Food for Healthy Schools Act (2008) and its related regulations (trans fat) and standards (Nutrition) provides nutrition criteria for any food or beverage including foods sold for fundraising activities on school property. Visit <http://www.edu.gov.on.ca/extra/eng/ppm/150.html> for more details.
- SCDSB Healthy Food and Beverage Policy (4260) and School Food and Beverage APM A7675 outlines expectations for schools regarding fundraising including the requirement of one physical activity fundraising event, the use of non-food items and promoting healthy food related events for fundraisers. Reference each of these policies and APM’s for specific details.
- Lottery like fundraisers (raffles, bingos etc.) must be in compliance with board policies as well as municipal, provincial and federal laws and regulations.

See attached list for available opportunities.
