To All Interested Parties:

**Subject: Addendum #2
Two Boilers for Kings Fork Middle School**

Please note the following questions received regarding the above IFB.

Question: Could you please confirm if we bid electronically through the eVA portal that we do not need to also submit a hard copy delivered bid?

Answer: You may either deliver to 100 North Main Street, Suffolk VA 23434, mail at the proposer's risk to the above address, or send it in through the EVA portal. No other submission types are accepted.

Question: Is a bid bond required for this project? If so, please confirm the bidder's bond shall be 5% of the base bid.

Answer: Bid bonds are not required as we do not expect bids to reach the 300,000 threshold as found in the code of Virginia. § 2.2-4336 allows for bid bonds to be waived for jobs in excess of \$100,000 - \$300,000 upon written determination made in advance. This serves as the required written determination. This doesn't waive the requirement found in the bid that the installer have the required licenses to do the work as required in the IFB.

Please email Anthony Hinds at anthonyhinds@spsk12.net by close of business today (01/28/2021 on or before 5:00) if you have any additional questions as time will only allow for one final addendum prior to the close of the bid on February 2, 2021 on or before 2:00 PM.
