### Academics

- Teachers will individually hold their exams from 12/15 to 1/16. Students must attend the exam virtually. In order to make-up the exam, the student will need to have approval from an administrator.
- As a requirement by the state, seniors will need to take their CTE exam in person. This will be held in Jan.
- Seniors who need to take the OST or workkeys test to meet graduation requirements will need to complete the test by 12-18-20. If the test is not completed by 12-18, the students will not graduate in June. Students have received personal emails and phone calls.
- In January, the counselors will begin reaching out to current 9th, 10th, and 11th-grade students for scheduling for the 21-22 school year.
- Semester ends on 1-15-21. Please reach out if you need any assistance.
