BCSD COVID-19 Testing:

The Binghamton City School District will begin testing students on a voluntary basis starting next week. If you wish to provide consent for your child to be tested at school, please do so by completing [this form](#).

We would also like to make you aware that district employees who have not submitted proof of vaccination will be required to be tested weekly through our surveillance testing program.

Thank you for helping us promote a safe and healthy school environment for our students.

Educating, empowering, and challenging all students to become productive, global citizens through innovative approaches to learning.
