Calling all 3rd-6th graders! If you are interested in reading great books, meeting with other kids your age and enjoying a little competition, then Battle of the Books is for you! The first meeting is coming up soon. Let your teacher or Mrs. Osborn know if you are interested! More information to come…

Meadow View Elementary families!

We are excited to kick off our Meadow View Fun Run on September 29th. Our goal is to raise $30,000 for teacher grants and SPED program and to strengthen our school community. Our school has always relied on fundraising to provide exceptional opportunities to enhance student learning and we need your help.

We completely understand if your family is not in a position to financially support the school right now. You can still be involved by simply SHARING about our fundraiser with friends and extended family online at MYBOOSTER.COM. Sharing IS supporting! Just as we worked to safely begin school this year, we are also safely hosting this essential fundraiser based on our school's current guidelines. We'll send more details as we get closer to our kick off.

We also need volunteers for Fun Run Day - Friday, October 8th! Please sign up using this link: https://www.signupgenius.com/go/10C0F49AEAE2FAAF85-funrun

We are grateful for our Meadow View Elementary family! Thank you for your support this year. We all need it!

The Scholastic Book Fair has been rescheduled. Please plan to join us in the library November 15-18. It
will be a great time to look for some holiday gifts for the family while supporting the purchase of new books for the Meadow View Library. More info on how to set up your eWallet to come!

From DCSD Nutrition Services: Universal Free Meals School Year 2021-2022

For all schools where DCSD Nutrition Services operates, the USDA has extended Meals at No Cost through June 30, 2022. This means that one breakfast (where offered) and one lunch per day per student will continue to be provided at no cost to all students. Students are required to take a fruit or vegetable to make a reimbursable/no cost meal at breakfast and lunch. Ala Carte food items are available for purchase. Meals will be served in the school cafeterias to students.

Douglas County District’s Road to Return Guidelines
Meadow View is an Artful Learning School. Artful Learning is a school improvement model that stimulates and deepens academic learning through the Arts. The four main quadrants of the Artful Learning model (EXPERIENCE, INQUIRE, CREATE, and REFLECT) encourage and support best teaching practices while improving the manner in which both students and teachers learn. Classrooms systematically employ the four quadrants to strengthen understanding, retention, and application. Be sure to check out our Artful Learning web page to learn more about how the arts are uniquely integrated into our curriculum.
