BACK TO SCHOOL!

Hello Everyone!

We are very excited to start back to school in person and to welcome your children into the building! I know that on many of your minds is, "What should I send to school with my child?" As we continue to follow Covid protocols (more coming early next week), we recommend a minimum of material going back and forth between home and school.

## Items that all students need on a daily basis

- Lunch bag
- Water Bottle (please wash regularly at home with warm, soapy water)
- Back pack
- Face Mask (optional for Kindergarten students)
- Extra Face Mask (if possible)
- bag to store soiled masks (not lunch bag please)
- Appropriate outerwear for the weather (rain, snow, temperature) every day rain, shine or snow!
- Kindergarten: change of clothes, extra socks and extra mitts in winter
- Indoor shoes appropriate for participating in physical education
- Outdoor shoes appropriate for participating in outdoor physical activity

***\*We have access to funding should anyone need support with any of these items ([cathy\\_griffin@bwdsb.on.ca](mailto:cathy_griffin@bwdsb.on.ca))***

We will provide what your child needs for learning but recognize that many of you would like to send your children in with their own tools. This is optional! These are some items you might consider:

- pencils
- eraser
- crayons
- markers (please not for Kindergarten)
- scissors
- glue stick
- rulers
- highlighters
- headphones/earbuds

It is helpful for Junior/Intermediate students to have their own calculator, ruler, binder, highlighters and headphones or earbuds. However, we will provide these to those who do not have their own.

Specific information about the first day of school, school routines, etc. will be sent out early next week. I could use your help to make sure other parents received this email. To receive school emails, parents have to share their addresses with Mrs. Timmins in the office. Once we have it in the system, they can register with school messenger ([www.schoolmessenger.com/start](http://www.schoolmessenger.com/start)). Please feel free to contact me with questions by phone or via email at [Cathy\\_griffin@bwdsb.on.ca](mailto:Cathy_griffin@bwdsb.on.ca)

Sincerely,  
Cathy Griffin  
Principal – Egremont Community School
